Memorial Day weekend

We wish everyone a wonderful Memorial Day weekend. It has been a challenging year and so this time of respite, relaxation and remembrance is much needed. As social distancing rules are relaxed for those that are high risk from a cardiac perspective please take extra precaution to avoid the crowds! Stay safe and healthy!

As of July 1st 2020 Dr Singh will be relocating his practice. It will be called **NSC Cardiology** and work in affiliation with **North Atlanta Heart and Vascular Center**.

We will have two locations very close to the current offices so that we make it easy to maintain continuity of care.

Main office in JOHNS CREEK – 5400 Laurel Springs Parkway, suite 1401, Johns Creek, GA, 30024

Shared office in CUMMING – 1400 Northside Forsyth Dr, suite 340/380 Cumming, GA, 30041

In order to transfer your care you need to **REBOOK** your current follow-up appointment with the new office. Please call **770-887-3255** and download the medical record release from located on Dr Singhs website www.heartdrsingh.com.

If any issues you can also call Crystal at **561-386-5576** or Email crystal@nsccardiology.com
